

Benta Group

PHARMACEUTICAL

PRODUCT CATALOG - 2024

*Our legacy is one of unbeatable dedication to **health and healing**. For decades, our pharmaceutical manufacturing group has been a **source of hope, delivering quality** medicines to those in need. Our journey is marked by a great pursuit of excellence, from the meticulous manufacturing of products developed over **20 years ago**, to the high standard of our facilities to meet the evolving operational requirements such as Good Manufacturing Practices (GMP).*

*We take pride in our history of manufacturing life-saving drugs, and our agile response to global health challenges that motivates **Benta** to develop more than **300 SKU's** in different therapeutic areas and lately the **Biosimilars**.*

*As we look to the future, we are guided by our past achievements and the knowledge that has positively impacted lives around the world. Our legacy is not just in the products we've created but in the **trust** we've built with patients, healthcare providers, and communities. It is a legacy of manufacturing **excellence and continuous improvement**. It is the foundation upon which we will continue to build a healthier tomorrow.*
